

Report On Alumni Interaction Lecture

Date: 17 Oct 2020

Alumnus Speaker: Ms Vedika Gulati, Accenture Strategy – Management Consulting Analyst
Lifesciences & Healthcare Industry (MBA Pharm Tech, 2008-13 Batch
Gold Medalist)

Topic: What do you expect after completion of the course?

Audience: Third year B.Pharm/ B.Pharm + MBA and Final year B.Pharm Students

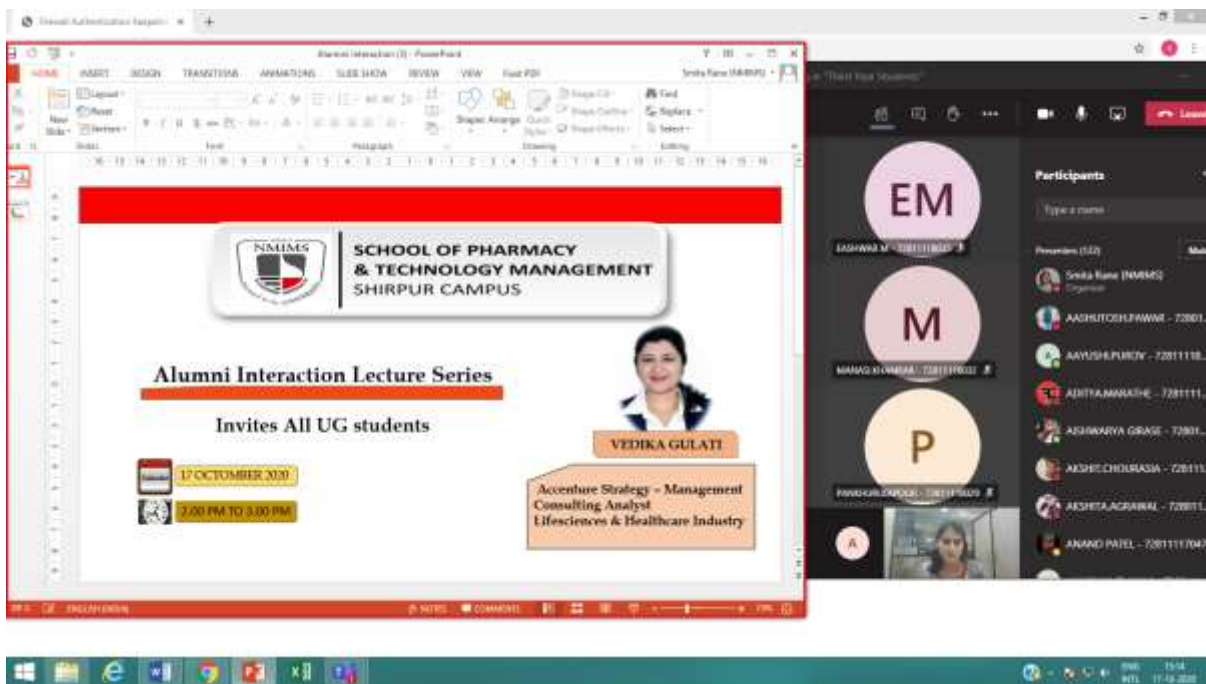

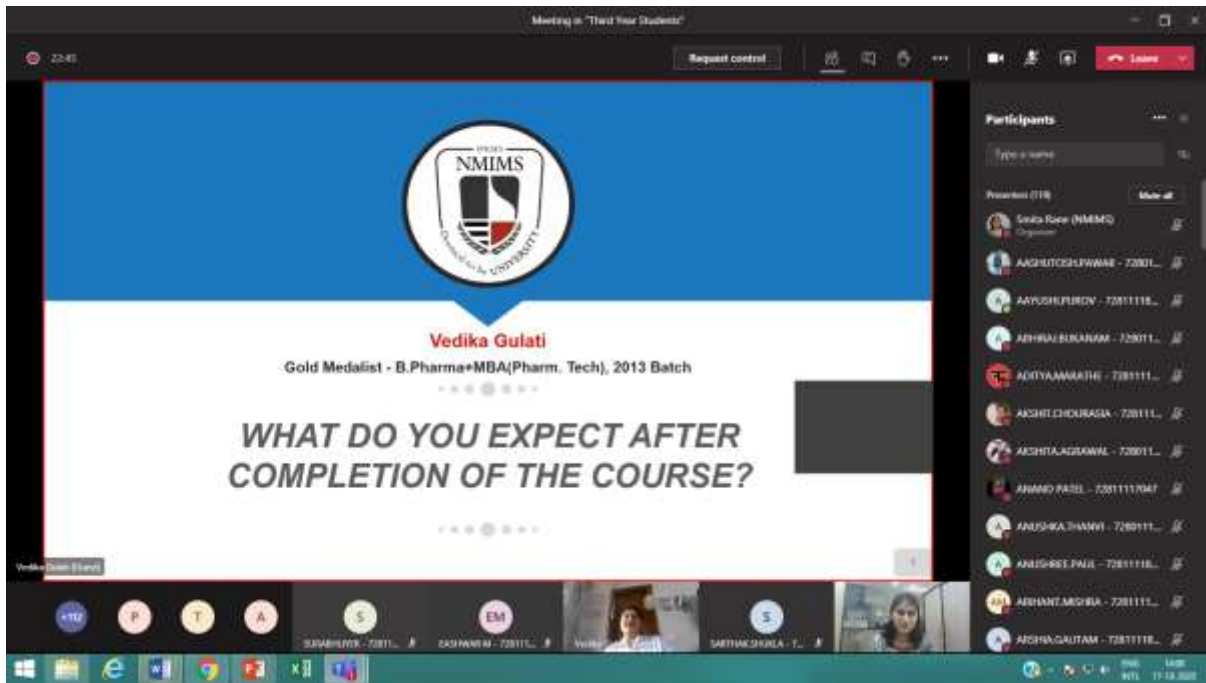

Organized by: Dr. Smita Bonde, on behalf of Alumni committee SPTM Shirpur

The session was started with a short introduction of Ms. Vedika Gulati by Dr. Smita Bonde. Ms. Vedika presented her carrier journey emphasizing on the importance of skills she had developed during her studies at SPTM Shirpur. She also narrated her professional life incidents about Consultancy and its use in a Pharmacists' life. The lecture was followed by an interactive session where the session was open for the students to ask their questions regarding pharmacy carrier options, preparation needed for interviews, enriching CV, gaining technical knowledge and developing managerial Skills etc.

Highlights of the session:

Students learnt:

- A lot about actual work environment in Pharmaceutical Industry.
- Different fields that are open for us after completing our B – Pharm course.
- Enriching CV by pursuing different courses on Udemy and other sites.
- The importance of Microsoft Office in Professional life.
- Need to participate in extracurricular activities along with our studies.
- That the experience gained at international level plays a key role in professional life
