

## Guest Lecture on “Advances in Pharmaceutical Technology: From Assuring Quality to Ensuring Patient Safety”

Guest Lecture Committee organized a guest lecture on “Advances in Pharmaceutical Technology: From Assuring Quality to Ensuring Patient Safety” on 24th February 2024. Mr. Gaurav Barsaiyan Senior Quality Official, NOVO Nordisk, Denmark was the guest speaker. All the students of B.Pharm. and M. Pharm. (All Branches) of SPTM are attended. Mr. Gaurav is a highly motivated and result oriented professional with an expertise in Quality, Regulatory & Pharmacovigilance domain. He explained in detail about advancements in validation, quality audits, roadmap for students willing to pursue career in pharmacovigilance, role risk management play in ensuring product safety and efficacy throughout the medicinal manufacturing process and AI in Competency Development during the session. The guest lecture was concluded with vote of thanks by Dr. Payal Rahul Dande.
