

SVKM's NMIMS SPTM Shirpur campus in association with the Association of Pharmaceutical Teachers of India (APTI), Maharashtra, organized a NATIONAL LEVEL ONE-DAY on line WORKSHOP on "Use of Smart Tools for Effective and Interactive Teaching" on May 8, 2023. The workshop was convened by Dr. Sunil Kanvinde, Associate Dean, SPTM, Shirpur Campus, and coordinated by Dr. Payal Dande, Section Head, SPTM.

The workshop received an overwhelming response with **more than 1200 registrations** by faculty members across India. The participants were from Maharashtra, Uttar Pradesh, Gujarat, Punjab, West Bengal, Tamil Nadu, and Odisha.

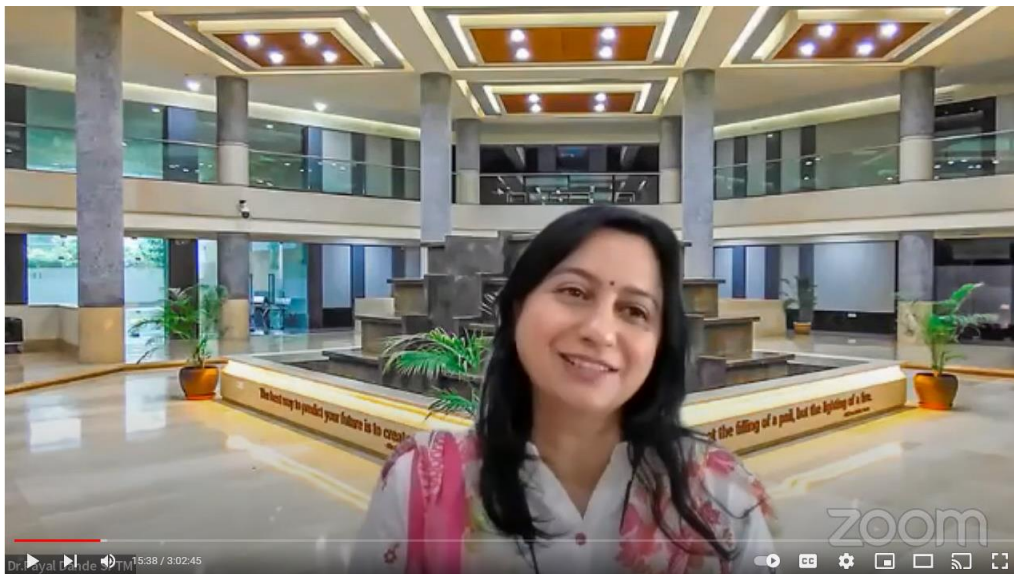

The inaugural session started with a welcome address by Dr. Sunil Kanvinde. He emphasized the need for continuous advancement, and the use of modern teaching technologies to enhance the performance of students with effective teaching-learning techniques. He extended his best wishes for successful participation.

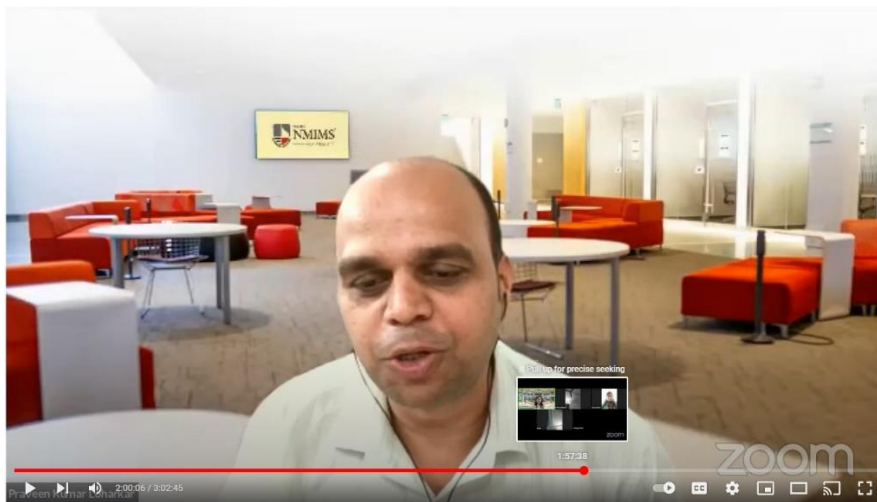

National Workshop on "Use of Smart Tools for Effective and Interactive Teaching"

The session was graced and addressed by State APTI President Dr. Rakesh Somani, Principal, D. Y. Patil Pharmacy College, Navi Mumbai. He appreciated the efforts taken by Dr. Payal Dande Section Head, SPTM, and State executive council Member APTI for organizing the event on an important and relevant topic. He emphasized on the significance of using SMART tools for the effective and interactive teaching-learning process. He also called teachers to be a part of APTI and contribute towards the development of the profession.

Dr. Payal Dande conducted a lucid session on the use of Mentimeter and Directpoll to increase application-based learning and understanding of the students. The topic and content were aptly designed by Prof Payal Dande, faculty SPTM, Shirpur, who has exposure to various training programs on the use of tools for interactive teaching.

Mr. Praveen Loharkar elaborated on the use of QUIZZZZ, and Padlet as important tools for student engagement and performance evaluation.

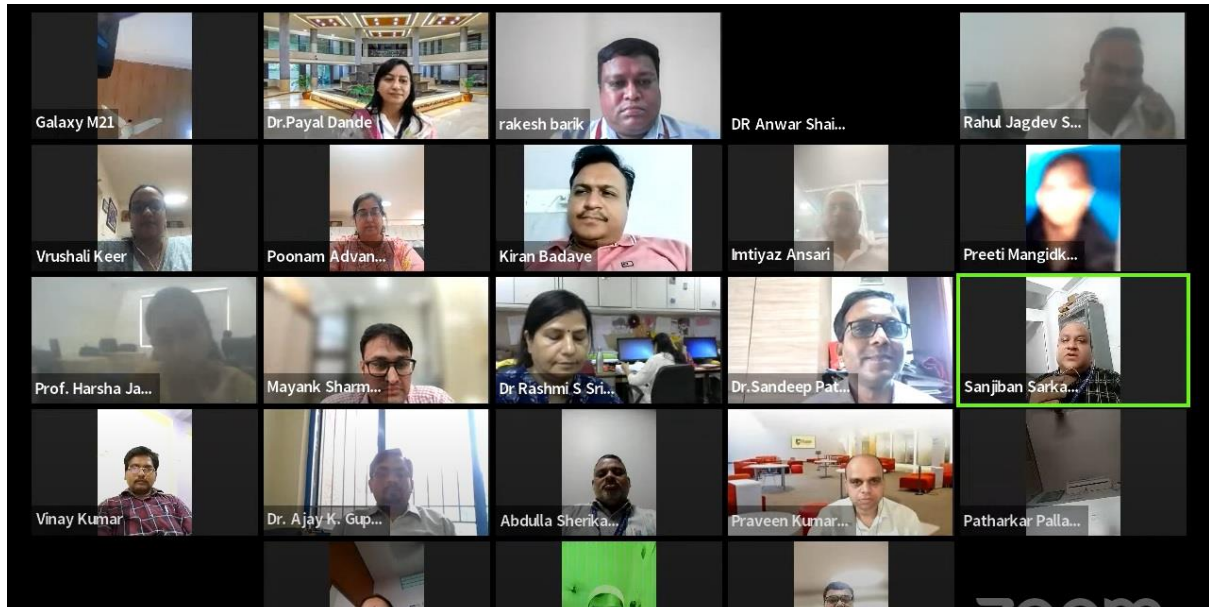

National Workshop on "Use of Smart Tools for Effective and Interactive Teaching"

Dr. Anwar Sheikh demonstrated the creation of animations using PowerPoint for better understanding and recall.

The resource persons also provided hands-on training on some of the important SMART tools to enhance the effectiveness of the teaching-learning Process. All the sessions received active participation and excellent response from the delegates.

The workshop was successful in providing the teachers a chance to explore the smart tools for enhancing the effectiveness in teaching at Higher education.
