School of Pharmacy & Technology Management
Shirpur

Message from Dean

It is with immense pride and warm regard that I welcome you to the SVKM's NMIMS School of Pharmacy & Technology Management (SPTM). Your admission to this premier institution marks the beginning of an exciting and transformative academic journey in the domain of pharmaceutical sciences and management. The School has consistently been recognized among the top pharmacy institutions in India and has been ranked 10th Nationally by NIRF in 2024. Our unwavering pursuit of excellence is reflected uniformly across all campuses through robust multi-campus coordination.

The pharmaceutical sector today stands at the confluence of rapid innovation and evolving global health needs. With the integration of digitalization, artificial intelligence, advanced therapeutics, and patient-centric approaches, the industry demands professionals who are not only technically proficient but also strategically insightful and ethically grounded. Our School is committed to shaping such professionals—those equipped to make meaningful contributions to healthcare and society at large.

At SPTM, we believe in a holistic approach to education. Our integrated programs such as B.Pharm + MBA and M.Pharm + MBA, advanced research ecosystem, and an interdisciplinary curriculum are designed to foster critical thinking, innovation, and leadership. With state-of-the-art infrastructure and dedicated faculty, we ensure that academic excellence is complemented by experiential learning and research opportunities.

Our faculty, continue to earn accolades globally with several of them being featured among the "Top 2% Scientist" worldwide by Stanford University and Elsevier in the year 2024. A vibrant research culture is reflected with 78 Ph.D. scholars presently pursuing their doctoral studies at the School in diverse areas of pharmaceutical research. This academic culture of excellence empowers our students to thrive not only as professionals but also as responsible contributors to a rapidly evolving world.

The School Resource Book (SRB) is your guide to understanding the institutional values, regulations, and expectations that shape life at SPTM. Adherence to these principles is vital for maintaining an environment of discipline, integrity, and academic rigor. We also acknowledge and appreciate the role of parents and guardians as key partners in our students' holistic development, and we encourage their active engagement throughout this journey.

We remain committed to our mission of developing global pharmaceutical leaders, and we invite you to fully immerse yourself in this dynamic, integrated learning environment.

Wishing you an intellectually enriching and personally fulfilling academic year ahead.

Best Wishes !

VISION

To be a global leader in science and pharmaceutical education, driving innovation, research and healthcare advancements to improve human health and well-being.

MISSION

a) Provide cutting-edge education and foster groundbreaking research in science and pharmaceuticals to drive advancements in healthcare and biotechnology.

b) Bridge academia and industry through hands-on training, real-world problem-solving and partnerships with pharmaceutical and healthcare organizations.

c) Cultivate responsible scientists and healthcare professionals committed to ethical practices, sustainability and addressing global health challenges.

1. **Any other Academic/general inputs, Rules Policies at school level:**

1.1 General Guidelines:

1.1.1. All doubts regarding attendance should be cleared with concerned faculty at appropriate time (at the end of each class/ during break or at the end of class hours of the day). If a student is marked 'Absent' even when present, s/he should immediately inform the concerned faculty. 'Attendance Report' of all the students in a class would be displayed on the Student Portal / noticeboard at the end of every month. Students are therefore informed to carefully read and follow guidelines under SRB point no. Part I.

1.1.2. The use of cell phones in class rooms and in laboratories are strictly prohibited. Strict disciplinary action will be taken against students using cell phones in the class room and laboratories.

1.1.3. If students require any of the classrooms after the regular lectures, a written permission has to be taken by the concerned students to occupy the classroom. If case of any damage in the classroom during that period the concerned students has to bear the cost.

1.1.4. The Smartboard in the classroom can be handled by students, only in the presence of a faculty or school authority.

1.1.5. Students must visit the Student Portal regularly.

1.1.6. Any student resorting to any indecent, unruly behavior or causing disturbance, annoyance or raising voice for any reason which results in irritating or disturbing any other person, shall be considered as 'misconduct'. Misconduct of any sort from any student will be dealt strictly.

1.1.7. All students are expected to dress up in the most decent and professional manner to maintain decency and decorum of the "profession". Sleeveless dresses, chappals, track pants and torn jeans are prohibited. Even unintentional violation in this regard would be considered as violation of SPPSPTM Dress Code and will be dealt with accordingly, after one oral warning.

1.1.8. The deadline for the submission of projects, presentations and/or date declared for viva-voce examination shall be final under all circumstances.

1.1.9. Students should always treat faculty and staff with regard, respect and be courteous to the fellow students.

1.1.10. Unacceptable behaviour including, but not limited to irregular attendance, academic dishonesty, disruptive behaviour, and disrespectful behaviour towards faculty, staff or fellow students will result in serious disciplinary action(s).

1.1.11. If any student is repeatedly coming late to the classes, then he/she may not be permitted to the campus for the day or further they may be suspended for more number of days, if they continuously repeat the habit of coming late (whatsoever may be the reason).

1.1.12. Students are strictly advised to behave in an orderly manner in the school premises, corridors and in public places. Their manner of movement should be quiet and orderly, at all the times.

1.1.13. Use of foul language, writing or scratching on school furniture /lifts and walls and any misbehaviour in campus will be strictly dealt with.

1.1.14. Any student who is persistently insubordinate or is repeatedly or wilfully mischievous or is guilty of malpractice or who has an unwholesome influence on his fellow students, may be expelled permanently from the institute.

1.1.15. If any student is found breaching the discipline policy and asked to call the parents, then the student must ensure that his/her parents should meet the institute authorities within one week of incidence.

1.1.16. Students involved in business, collection of funds, compelling others to join in some organization as a member etc. is strictly prohibited under any circumstances.

1.1.17. Students need to obtain prior permission from the school authorities to exhibit any type of banners, flags, boards etc. inside the campus, hostels, gates, buildings or on the compound walls.

1.1.18. Details of various acts of indiscipline along with corrective action(s) for each are enumerated in below table. The disciplinary process is not intended to be punitive in nature. The procedure therefore describes the steps to be taken to deal with each situation reasonably and, wherever possible, help the student(s) concerned to improve their standards of conduct to reach to the acceptable level. However, it also allows to take necessary and sufficient steps to avoid any severe and repeated act of indiscipline.

1.5 Value Added Compulsory Workshops/ Activities

1.5.1 Soft Skills

Need: Studies on Pharma Graduates worldwide have shown that they are very strong in concepts and technical knowledge but are very weak in soft skills. Industry consistently pointed out the same and based on industry feedback soft skill module has been developed.

Methodology: Soft skills training will be conducted in the form of lectures for all the first-year students (UG & PG). The lectures will be a mix of role plays, activities, games, interactions, video recording, replaying the video for feedback, out bound programs and micro growth labs. This will be handled by experienced faculty of Soft Skills.

1.5.2 Industry / Hospital Visits

Students visit various Pharma companies to get a perspective/ glimpse of the actual work situation, to understand how theory is put into practice, observe how operations are done thus gaining firsthand knowledge of the operative systems thereby bridging the gap between theory and practice which will be a value add to them.

1.5.3 Guest Lectures

Speakers from Multinational Pharma industry / faculty of National repute /our alumni are invited to deliver guest lectures to the students. It is mandatory for each student to attend these lectures.

1.5.4 Value Added Compulsory Workshops/ Activities are integral part of curriculum. It is mandatory for all the students to attend all Value Added Compulsory Workshops/ activities. This will be in addition to the student performance in Credit courses**.**

2 Placement Guidelines :

NMIMS is a premier University of the country, and the B-school has been in existence for over four decades. Over the years, it has earned recognition from industry & professional associations, corporates, peer group institutions and accreditation agencies. The University has a strong industry connection and is a preferred choice for the corporate sector for talent. Companies view NMIMS as a great place to recruit potential young managers and business leaders. Placement Support is offered to various programs across Campuses and Schools. Leading companies across sectors consider our students for recruitment/ internships. Our esteemed alumni occupy senior positions in leading companies across sectors and have always supported us in placements.

The Placement Office is an interface between NMIMS & the Industry for facilitating internships & recruitment opportunities for students. Efforts are made to market the programs with their merits.

Placement officials actively network with the corporate sector with an endeavour to get companies to open suitable job & internship profiles for the batch. They reach out to companies across sectors and locations for appropriate opportunities for students, showcasing the brand NMIMS, the quality and diversity of the batch, providing timely customized services, continuous communication, and offering support that would facilitate their participation in placements.

Placement officials mentor & guide the Students Placement Committee, who are actively involved in the activities, connecting with companies, meeting company officials for presentations, operational aspects and in coordinating various activities during the placement processes.

The placement guidelines are devised in the larger interest of the School and the batch, in consultation with students and faculty. Each of the Schools shares with the batch guidelines related to resumes, PPT, Internships, PPOs/PPIs, Final Placements, etc. The School reserves the right to change, modify the guidelines in the best interest of the batch. Students are expected to abide by the guidelines during placement processes. In the event of non-conformance with the placement guidelines, the School reserves the right to initiate corrective action.

Generally, students of the post-graduate programs are keen to participate in placements. However, many from the undergraduate programs opt out or do not register for placements as they have alternative career plans. This approach acknowledges the diverse goals and aspirations of students and features the institution's commitment to supporting individual choices that align with personal interests and career aspirations. These paths include pursuing further higher studies, preparing for entrance exams of professional programs, preparing for civil services, defence forces, government offices, engaging in family business ventures, entrepreneurial endeavours, etc.

Industry-Institute Connect

To optimize industry connect, effective interventions from the companies are sought so that students get to know of the opportunities available in the market, help to enhance their skill sets & then direct their efforts to seek profiles of their choice. Companies are encouraged to involve with the batch for campus engagement activities, thereby deepening the association and leading to a symbiotic relationship between NMIMS and the Industry. Guest talks, competitions, seminars, workshops, soft skills training, technical training, etc. are a great value add. These involvements bridge the gap between expectations of recruiters and the knowledge & skill sets of students.

The Placement process typically involves

- Batch Preparation
- Pre Placement Talks
- Internships/Projects
- Final Placements

Batch Preparation

The Batch Preparation Program is to enhance the suitability of candidates and orient them to industry practices and expectations.

- Interactive sessions with alumni/industry experts in various profiles that help students to gain clarity on role/fit, understanding expectations of the company, future prospects - career evolution, right approach for cracking interviews, listen to first-hand experience & get a feel of life in a particular profile, etc.
- Interaction with seniors who have undergone internships in companies.
- Assigning seniors or alumni as mentors to guide students.
- Mock interviews with alumni/corporates to get direct feedback from people in relevant industries.
- Guest talks and workshops on various topics from corporates.
- Resume building as per guidelines
- Technical, Soft skills training, etc.

Prior to the commencement of the selection process, it is expected that students have a fair idea about their interest, sector and specialization and direct their efforts accordingly. This clarity will help students land a good internship/job.

Students are expected to research about company, the business, the sector, financials, other players in the sector, etc., and be prepared with a background and fact file before the process. Also, some additional information – the number of interns/recruits in the past, whether the company has a PPO policy, the experience of seniors who interned with the company etc., will be of help.

The Placement Office also involves companies in several Campus Engagement activities – corporate contests, projects, workshops, seminars, and guest talks etc. that benefit a large number of students and also help in promoting the excellent quality of the batch.

Pre-Placement Talk – PPT

PPTs are a medium wherein the company officials disseminate information regarding their company, the profile, the compensation, etc. and clarify students' queries.

Internships/Projects

- The Placement Office makes all efforts to reach out for internships across varied sectors, companies, and profiles. Based on one's interests and capabilities, one should seek internships. Choosing the correct company for internships and performing up to the mark is of the utmost importance.
- The Internships are not only a window to the corporate world but also a relationship-building tool for NMIMS. It allows companies to look at the talent at NMIMS, thereby strengthening Final Placements.
- Internships are a great learning platform for our students and go a long way in shaping the learning obtained in the classroom. This experience is of immense use to students to enable them to acclimatize themselves to the intricacies of the corporate world.
- The project is expected to build on the theoretical learning with practical experience and help students to discover areas of interest and future career options, identify the gaps in their learning, which they can attempt to fill in.
- Interactions during the internships, both with other interns as well as employees, help students to understand the expectations/needs of the organisation, the sector in general, to identify the gaps in their learning, in orienting oneself towards the sector and developing the required skill sets to emerge as the most suitable candidate.
- Internships also hold a special significance as it is an apt mechanism for companies to spot bright talent early. Many companies have a structured internship process, which is used as a 'testing ground' to gain a direct understanding of the skill and ability of students, leading to the declaration of PPOs/PPIs. NMIMS also encourages candidates to work towards such offers that are based on internship performance.
- Pre-Placement Offer (PPO) is an Offer by the company to the intern acknowledging the excellent work done during the internship. Pre-Placement Interview (PPI) is an opportunity by the company for the intern to be directly selected for the interview for final placements. Thus, the students should be careful in applying to the companies and should put in all efforts to convert the internship into an Offer.
- Internships are generally monitored, evaluated by a faculty guide, with periodic report submissions, evaluations, Viva Voce, etc.

Final Placements

- Leading companies across sectors aspire to recruit students of NMIMS. Companies devise the eligibility criteria and selection process and have their own set of characteristics or qualities that they look for in a candidate.
- The process of selection starts with inviting applications based on the eligibility, job description, compensation details, etc., shared by the company. The profiles of interested students are shared with the recruiter.
- The placement process is facilitated by the Placement Team. However, it is the effort of the student that gets him/her selected for the job. Not getting selected in the first few companies should not lead to panic. Students are advised not to switch profiles in anxiety or haste.
- The selection process could be physical or virtual & there could be multiple rounds – case analysis, group discussion, group exercises, interviews, etc. Reasons like location, family issues, etc., should

not be constraints to students. They are expected to be mobile and have the capability to adjust, adapt, and respond to emergent situations successfully.

- Students who wish to drop out of the placement process, formally notify the Placement Office vide the 'Opted Out Form' mentioning the reason, which could be higher studies, entrepreneurship, family business, seeking placements on their own with company details, etc.

At NMIMS, leading companies across sectors compete to participate in placements offering coveted & niche profiles with matching packages to students across programs. Hence, students get a plethora of opportunities to choose from.

3. Examination Guidelines (ICA / End Semester Examination, Passing Criteria, Grading system, method of calculation of CGPA, Re-Examination, exceptional cases – medical etc.)

3.1. B.Pharm / B.Pharm + MBA (Pharma Tech)

The scheme for internal assessment and end semester examinations is given in Table – I.

3.1.1 End semester examinations

The End Semester Examinations for each theory and practical course through semesters I to VIII/ I to X shall be conducted by the NMIMS university mentioned in table I and the marks/grades shall be submitted to the university.

3.1.3. Sessional Exams

Two Sessional exams shall be conducted for each theory / practical course as per the schedule fixed by the school. The average marks of two Sessional exams shall be computed for internal assessment as per the requirements given in table – I.

Sessional exam shall be conducted for 30 marks for theory and shall be computed for 15 marks. Similarly Sessional exam for practical shall be conducted for 40 marks and shall be computed for 10 marks.

3.1.4. Promotion and award of grades

A student shall be declared PASS and eligible for getting grade in a course of B.Pharm. programme if he/she secures at least 50% marks in that particular course including internal assessment. For example, to be declared as PASS and to get grade, the student has to secure a minimum of 50 marks for the total of 100 including continuous mode of assessment and end semester theory examination and has to secure a minimum of 25 marks for the total 50 including internal assessment and end semester practical examination.

3.1.5. Carrying forward of marks

In case a student fails to secure the minimum 50% in any Theory or Practical course as specified, then he/she shall reappear for the end semester examination of that course. However his/her marks of the Internal Assessment shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

3.1.6. Improvement of internal assessment

A student, who fails, shall have the opportunity to improve his/her performance only once in the Sessional exam component of the internal assessment. The re-conduct of the Sessional exam shall be completed before the commencement of next end semester theory examinations.

3.1.7. Regular/ Re-examination of end semester examinations

Regular/ Re-examination of end semester examination shall be conducted as per the schedule given in Table IV. The exact dates of examinations shall be notified from time to time.

Table – IV: Tentative schedule of end semester examinations

Semester	**For Regular Candidates**	**For Failed Candidates**
I, III, V and VII	November / December	May / June
		November / December
II, IV, VI and VIII	May / June	November / December
		May / June

i. Academic Progression:

1. No student shall be admitted to any examination unless he/she fulfills the norms given in Point No.3.2 of Part-I. Academic progression rules are applicable as follows:
2. A student shall be eligible to carry forward all the courses of I, II and III semesters till the IV semester examinations. However, he/she shall not be eligible to attend the courses of V semester until all the courses of I and II semesters are successfully completed.
3. A student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of I, II, III and IV semesters are successfully completed.
4. A student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of all semesters are successfully completed.
5. For B.Pharm+MBA, a student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to attend the courses of IX semester until all the courses of I, II, III, IV, V and VI semesters are successfully completed.
6. For B.Pharm+MBA, a student shall be eligible to carry forward all the courses of VII, VIII and IX semesters till the X semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of all semesters are successfully completed.
7. A student shall be eligible to get his/her CGPA upon successful completion of the courses of I to VIII / X semesters within the stipulated time period as per the norms specified in Point No. 1.3 of Part –II .
8. A lateral entry student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of III and IV semesters are successfully completed.
9. A lateral entry student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of III, IV, V and VI semesters are successfully completed.
10. A lateral entry student shall be eligible to get his/her CGPA upon successful completion of the courses of III to VIII semesters within the stipulated time period as per the norms specified in 25.
11. Any student who was given more than 4 chances for successful completion of I / III semester courses and more than 3 chances for successful completion of II / IV semester courses shall be permitted to attend V / VII semester classes ONLY during the subsequent academic year as the case may be. In simpler terms there shall NOT be any ODD BATCH for any semester.

Note: Grade AB should be considered as failed and treated as one head for deciding academic progression. Such rules are also applicable for those students who fail to register for examination(s) of any course in any semester.

ii. Grading of performances

Letter grades and grade points allocations:

Based on the performances, each student shall be awarded a final letter grade at the end of the semester for each course. The letter grades and their corresponding grade points are given in Table – V.

Table – V: Letter grades and grade points equivalent to Percentage of marks and performances

Percentage of Marks Obtained	Letter Grade	Grade Point	Performance
90.00 – 100	O	10	Outstanding
80.00 – 89.99	A	9	Excellent
70.00 – 79.99	B	8	Good
60.00 – 69.99	C	7	Fair
50.00 – 59.99	D	6	Average
Less than 50	F	0	Fail
Absent	AB	0	Fail

A student who remains absent for any end semester examination shall be assigned a letter grade of AB and a corresponding grade point of zero. He/she should reappear for the said evaluation/examination in due course.

iii. Semester grade point average (SGPA)

The performance of a student in a semester is indicated by a number called 'Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses (Theory/Practical) in a semester with credits C1, C2, C3, C4 and C5 and the student's grade points in these courses are G1, G2, G3, G4 and G5, respectively, and then students' SGPA is equal to:

$$SGPA = \frac{C1G1 + C2G2 + C3G3 + C4G4 + C5G5}{C1 + C2 + C3 + C4 + C5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and AB grade awarded in that semester. For example if a learner has a F or AB grade in course 4, the SGPA shall then be computed as:

$$SGPA = \frac{C1G1 + C2G2 + C3G3 + C4^{*}\ ZERO + C5G5}{C1 + C2 + C3 + C4 + C5}$$

iv. Cumulative Grade Point Average (CGPA)

The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

$$CGPA = \frac{C1S1 + C2S2 + C3S3 + C4S4 + C5S5 + C6S6 + C7S7 + C8S8}{C1 + C2 + C3 + C4 + C5 + C6 + C7 + C8}$$

where C1, C2, C3,…. is the total number of credits for semester I,II,III,…. and S1,S2, S3,….is the SGPA of semester I,II,III,…. .

v. Declaration of class

The class shall be awarded on the basis of CGPA as follows:

First Class with Distinction	CGPA of. 7.50 and above
First Class	CGPA of 6.00 to 7.49

90 – 94	6	7.5
85 – 89	4	5
80 – 84	2	2.5
Less than 80	0	0

3.2.3. Seminar

Each student has to deliver 5 Seminars in a semester. Each Seminar will carry 20 marks. The student in consultation with concerned faculty will finalise the topic for Seminar. The total marks obtained in 5 seminars will be the basis for internal assessment marks.

3.2.4. Journal Club

Each student has to give 2 presentations of 25 marks each. The average marks obtained will be the basis for internal assessment marks.

3.2.5. Sessional Exams

Two sessional exams shall be conducted for each theory / practical course as per the schedule fixed by the college(s). The average marks of two sessional exams shall be computed for internal assessment as per the requirements given in tables – VI to IX.

3.2.6. Promotion and award of grades

A student shall be declared PASS and eligible for getting grade in a course of M.Pharm. programme if he/she secures at least 50% marks in that particular course including internal assessment.

3.2.7. Carrying forward of marks

3.2.7.1. In case a student fails to secure the minimum 50% in any Theory or Practical course as specified in point No. **4.2.6**., then he/she shall reappear for the end semester examination of that course.

3.2.7.2. However, his/her marks of the Internal Assessment shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

3.2.8. Improvement of internal assessment

A student, who fails, shall have the opportunity to improve his/her performance only once in the sessional exam component of the internal assessment. The re-conduct of the sessional exam shall be completed before the commencement of next end semester theory examinations.

3.2.9. Regular/ Re-examination of end semester examinations

Regular/ Re-examination of end semester examination shall be conducted as per the schedule given in

Table XII. The exact dates of examinations shall be notified from time to time.

Table XII. Tentative schedule of end semester examinations

Semester	For Regular Candidates	For Failed Candidates
I and III*	November / December	May / June
		November / December
II and IV	May / June	November / December
		May / June

*Re-examination for Semester III courses will be conducted immediately after result declaration of regular examination of Semester III

3.2.10. Allowed to keep terms (ATKT):

3.2.10.1. No student shall be admitted to any examination unless he/she fulfils the norms given in **ATTENDANCE CRITERIA**.(Refer point no. 3.2 of Part I)

3.2.10.2. A student shall be eligible to carry forward all the courses of I and II semesters till the III semester examinations.

3.2.10.3. The candidate shall be allowed to attend the courses of III & IV semesters including the research work and to appear for the end semester examination of III semester even if the student has not completed courses of I & II semester. However, he/she shall be eligible to appear for end semester examination of IV semester only after completion of all the courses of I, II and III semesters

3.2.10.4. In case of M.Pharm+MBA program, a student shall not be eligible to attend the courses of V semester until all the courses of I and II semesters are successfully completed.

3.2.10.5. In case of M.Pharm+MBA, a student shall be eligible to carry forward all the courses of semester IV and V till the semester VI examinations and Re-exams will be scheduled at appropriate time.

3.2.10.6. A student shall be eligible to get his/her CGPA upon successful completion of the courses of I to IV semesters within the stipulated time period as per the norms.

3.2.10.7. For M.Pharm+MBA, student shall be eligible to get his/her CGPA upon successful completion of the courses of I to VI semesters within the stipulated time period as per the norms.

Note : Grade AB should be considered as failed and treated as one head for deciding ATKT. Such rules are also applicable for those students who fail to register for examination(s) of any course in any semester.

3.2.11. Grading of performances

Letter grades and grade points allocations:

Based on the performances, each student shall be awarded a final letter grade at the end of the semester for each course. The letter grades and their corresponding grade points are given in table XIII.

Table XIII. Letter grades and grade points equivalent to percentage of marks and performances

Percentage of Marks Obtained	Letter Grade	Grade Point	Performance
90.00 – 100	O	10	Outstanding
80.00 – 89.99	A	9	Excellent
70.00 – 79.99	B	8	Good
60.00 – 69.99	C	7	Fair
50.00 – 59.99	D	6	Average
Less than 50	F	0	Fail
Absent	AB	0	Fail

A student who remains absent for any end semester examination shall be assigned a letter grade of AB and a corresponding grade point of zero. He/she should reappear for the said evaluation/examination in due course.

3.2.12. Semester grade point average (SGPA)

The performance of a student in a semester is indicated by a number called 'Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses (Theory/Practical) in a semester with credits C1, C2, C3 and C4 and the student's grade points in these courses are G1, G2, G3 and G4, respectively, and then students' SGPA is equal to:

$$SGPA = \frac{C1G1 + C2G2 + C3G3 + C4G4}{C1 + C2 + C3 + C4}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and AB grade awarded in that semester. For example, if a learner has a F or AB grade in course 4, the SGPA shall then be computed as:

$$SGPA = \frac{C1G1 + C2G2 + C3G3 + C4* ZERO}{C1 + C2 + C3 + C4}$$

3.2.13. Cumulative Grade Point Average (CGPA)

The CGPA is calculated with the SGPA of all the IV semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all IV semesters and their courses. The CGPA shall reflect the failed statusin case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) theCGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

$$CGPA = \frac{C1S1 + C2S2 + C3S3 + C4S4}{C1 + C2 + C3 + C4}$$

where C1, C2, C3,…. is the total number of credits for semester I,II,III,…. and S1,S2, S3,….is the SGPA of semester I,II,III,…. .

3.2.14. Declaration of class

The class shall be awarded on the basis of CGPA as follows:

First Class with Distinction	CGPA of. 7.50 and above
First Class	CGPA of 6.00 to 7.49
Second Class	CGPA of 5.00 to 5.99

3.2.15. Project work

All the students shall undertake a project under the supervision of a teacher in Semester III to IV and submit a report. 4 copies of the project report shall be submitted (typed & bound copy not less than 75 pages). The internal and external examiner appointed by the University shall evaluate the project at the time of the Practical examinations of other semester(s).

3.2.16. Management Internship Programme for M.Pharm+MBA

The students will have to undergo Management Internship Programme for a total period of 17 weeks after completion of 2nd year and submit the project report. The report submitted by student will be evaluated by the subject experts and grade point will be awarded.

3.2.17. Award of Ranks

Ranks and Medals shall be awarded on the basis of final CGPA. However, candidates who fail in one or more courses during M.Pharm/M.Pharm+MBA program shall not be eligible for award of ranks. Moreover, the candidates should have completed M. Pharm/M.Pharm+MBA program in minimum prescribed number of years, (two years for M.Pharm and three years for M.Pharm+MBA) for the award of Ranks.

3.2.18. Award of degree

Candidates who fulfill the requirements mentioned above shall be eligible for award of degree during the ensuing convocation.

3.2.19. Duration for completion of the program of study

The duration for the completion of the program shall be fixed as double the actual duration of the program and the students have to pass within the said period, otherwise they have to get fresh Registration.

3.2.20. Re-admission after break of study

Candidate who seeks re-admission to the program after break of study has to get the approval from the university by paying a condonation fee.

3.2.21. Minimum Credit Requirements:

The minimum credit points required for the award of M.Pharm. degree is 95. However, based on the credit points earned by the students under the head of Co-curricular activities, a student shall earn a maximum of 100 credit points. These credits are divided into Theory courses, Practical, Seminars, Assignments, Research Work, Discussions with the supervisor, Journal Club and Co-curricular Activities over the duration of four semesters. The credits are distributed semester-wise as mentioned below :

Semester wise Credits Distribution- M.Pharm

Semester	Credit Points
I	26
II	26
III	21
IV	20
Co-curricular Activities (Attending Conference, Scientific Presentation and Other Scholarly Activities)	Minimum = 02 Maximum = 07*
Total Credit Points	Minimum = 95 Maximum = 100*

*Credit Points for Co-curricular Activities

The guidelines for awarding credit points for Co-curricular Activities are as below:

Name of the Activity	Maximum Credit Points Eligible/ Activity
Participation in National Level Seminar/Conference/Workshop/Symposium/Training Programs (related to specialization of the student)	01
Participation in international Level Seminar/Conference/Workshop/Symposium/Training Programs (related to specialization of the student)	02
Academic Award/Research award from State Level/National Agencies	01
Academic Award/Research award International Agencies	02
Research/Review Publication in National Journals (Indexed in Scopus/ Web of Science)	01
Research/Review Publication in International Journals (Indexed in Scopus/ Web of Science)	02

Note : International Conference : Held outside India
International Journal: The Editorial Board outside India

The credit points assigned for extracurricular or co-curricular activities shall be given by the Dean of the school. The criteria to acquire these credit points will be defined by the school from time to time.

3.2.22. For Management Subjects:

Presentation in class

Presentations form an integral part of the internal marks (major presentation and minor presentation) submitted at the end of the semester. The presentations can be conducted in a group or individually.

Sessional /Mid- term examination

One midterm exam would be conducted in a semester.

Evaluation Weightage

Evaluation	Weightage	Evaluation Method	Conducted by	Schedule
Continuous Evaluation	50%	Case studies/ Project/ Assignments/ Seminar term Paper/ Viva/ Quiz / Written (Mid-Term) Examinations, etc.	School	Throughout the term
